A Word from Title I

I Love Books Day Delightful!

Emerson Elementary's annual I Love Books Day held Friday, February 13 was truly a delight. Numerous guests, including Trustee Greg Meyers and Regional Superintendent Barbara Thornhill, visited our campus to read to classes on all grade levels.

GT Showcase

Students on all grade levels also had the opportunity to showcase some of their hard work during the last nine-weeks.

Students in grades PK-5 studied various topics as a class to learn more about the research process. GT students will be working on individual projects for a May showcase.

Academic Safety Tips from Officer Brown

Parents, this fact has been proven many times. Children who are positively involved in their academics are less likely to get into trouble. Showing interest in your child's school work not only keeps them interested in learning, it also builds their self-esteem. Children respond very well to encouragement and praise.

Eagle Award

At the beginning of every month, faculty and staff nominate an individual who has gone above and beyond the call of duty in meeting the needs of students or being a collaborative team player. The winner receives a designated parking spot for the month and a small eagle figurine to keep. For the month of February, we congratulate
Ms. Sampson.
Way to go!

Uruguay Principal Visits EMERSON

Emerson Elementary had the pleasure of hosting a visit from an educator from Uruguay. Senora Celeste Cruz (pictures below in yellow shirt) is an administrator in the South American county of Uruguay. She spent a total of two weeks as a guest of our community. During that time, her primary mission was to learn about the American system of education.

We want to thank Senora Cruz for gracing us with her presence and wish her a safe journey home.
