## Friends of Field

This year Field started G/T Pre-K and Kindergarten classes as well as an after-school program.

Next year, Field is planning to add a new G/T (advanced) Kindergarten teacher.

Come and meet the Principal, Mr. Hendrickson, and learn about his goals for the school.

Let's see if we can work together so that Field can serve the entire community!

### Immediate Volunteer Opportunities

#### Story Time

Do you like to read? Would you be able to read to classes in the library?  
If you can spare an hour or two, once or twice a week - sign up in the library.

#### Blinds

New blinds are needed for windows throughout the entire school.  
We need someone to head up getting blinds donated for all the windows in the school.  
Or maybe creating a fund raiser to get money to buy new blinds.

#### Art in the Halls

The hallways need some sort of appeal. The goal is to brighten them up.  
Perhaps with murals or art. Could some sort of gallery be implemented? How cool would that be?  
If you paint and you are willing to paint some murals, please let us know.

#### Computer Tech

When computers break someone needs to fix them. We need a person to be  
available once or twice a week (or as needed) to come in and make repairs.

Call or email Tanita Gumney if you are interested in volunteering.

PLEASE FORWARD THIS FLYER TO ANYONE YOU KNOW WITH YOUNG CHILDREN THAT WOULD BE INTERESTED.
