

Teacher Notes – PLEASE READ

Before you distribute the **EMGames Parent Guide**, please do the following:

- 1) Print this entire document, and set aside this page as a reference. The remaining pages will be your master of the **EMGames Parent Guide**.
- 2) Log in to your teacher account at <http://www.emgames.com>. On the teacher home page, verify the spelling and capitalization of your name as shown in the phrase "Welcome to EMGames, **YOUR NAME!**"¹ (Stay logged into your account for Step #5.)
- 3) On the printed master, find the **Your Teacher** box. (It looks like this: ) Write in your name, using the exact spelling and capitalization that appears on the website. Only your last name is required, but if you wish, you may include a prefix (Mr., Mrs., etc) or your first name if it is shown that way on the site.
- 4) Use the master to make one copy for each student in your class, and then set aside the master to make extra copies later.
- 5) On the website, click **Student Passwords** to reveal the list of passwords for your students. Transfer each student's information to their printed copy as follows:
 - a. On each student's copy, find the **Your Name** box. (It looks like this: ) Write in the student's first and last name, as shown on the **Student Passwords** page. Do not include a middle name or middle initial.
 - b. On each student's copy, find the area labeled: **What is Your Password?** Circle the symbols shown next to the student's name on the **Student Passwords** page.
- 6) After you transfer information for each student, you may log out of your account. You now have a personalized copy of the **EMGames Parent Guide** for each parent or student.

¹ Before you send the guide home, please contact us if you need us to correct the spelling or capitalization of your name. You may contact McGraw-Hill Learning Group Technology Support at 877-869-6603 or support@emgames.com.

Accessing EM Games at Home

- 1) In a web browser, go to the *EM Games Online* home page at <http://www.emgames.com>.
 - If this is your first visit, click the **Technology Requirements** link in the left-hand column. Review the requirements, and run the **Computer Test** to make sure your computer is ready to run *EM Games Online*. NOTE: You must allow pop-ups from emgames.com to use the site.
- 2) Click the  button in the lower left of the page.
- 3) On the **STUDENT LOGIN** page, fill in the teacher name and student name exactly as shown below.
- 4) Click the three password symbols circled below. When you click, the box behind each symbol will turn dark blue.

1 Your Teacher

2 Your Name

3 What is Your Password?

1	A	
2	B	
3	C	
4	D	
5	E	
6	F	

- 5) Once you have entered both names and clicked all three symbols, click the **START** button to load the **Select Level** page.¹ The **Select Level** page may show one, two, or three buttons, but the larger button at the top will always be the recommended game set for your student's grade level. Your student may click any available button to reach the set of games for the indicated grade range. Each game set has a variety of games and challenge levels.

Select Level

Grades 1-3

Early Childhood **Grades 4-6**

¹ If the **STUDENT LOGIN** page reloads instead, try re-entering the teacher name, student name, and password again exactly as shown. If you are still unable to log in, please contact your child's teacher to verify the information.

- 6) After you choose a level, the games menu appears. Your student may choose a game by clicking the game picture.
- The games you see will depend on the grade level selected in the previous set.
 - If a game has several variations, you will select the variation you want from a pop-up window.

- 7) When the game introduction window appears, click the **Play Now!** button to start the game. Click **How to Play** for game instructions, or click **My e-Points** to see your student's high scores for the game.
- The **e-Points Leaders** button is only viewable while in school.
- 8) When your student has completed a game, he or she may replay the game or choose another.
- To exit a game before it has completed, your student may click the **X** button available on the game screen.
- 9) When your student is done using *EM Games Online*, he or she should first exit the current game to record scores and return to the game menu, and then click the **EXIT** button (in the upper-right corner of the page) to exit out of the system and return to the *EM Games Online* home page. At this point, the student may close the browser, or log back in to choose another game.
